THANK YOU FOR YOUR ORDER OF COPPOCK ON TENNESSEE ADOPTION LAW, 8TH Ed.

You will receive two emails, one confirming your order, and another confirming your account with GoodLawTN. You will use your account to access your Adoption Library download. You will be prompted to set a password for the account.

DIRECTIONS TO DOWNLOAD ELECTRONIC ADOPTION LIBRARY

When you are ready to download your Adoption Library:

Begin on the computer where you want the files to download. Go to your order confirmation email. Log in to your goodlawtn account using the link found in your email and your password. If you haven't set up a password for your goodlawtn account, you will need to do that before you proceed. Once on your goodlawtn account page, you will see "1 download remaining" for 2024 Coppock 8th Adoption Library. Click the download link and the Library will automatically download to your computer .

On your computer, save your Adoption Library in a place that is convenient for long-term access. The practice forms are saved as Word Templates to avoid inadvertent overwriting. Documents prepared using a template must be saved using a name different than the original template name. Adding a client name and date to this template file name, using the "save as" function works well.

One download is included with the book purchase. The initial download link will not work twice. You may reuse your downloaded forms saved on your computer an unlimited number of times.

Dawn's Note Regarding Intellectual Property: Coppock on Tennessee Adoption Law, 8th Edition and the *Adoption Library* forms, excluding the clearly labeled state forms, and all checklists, and charts, were created by me, Dawn Coppock, d/b/a Good Law. The documents are my intellectual property and protected by copyright. I created these materials to help to lawyer/ purchasers in their important legal work. I want purchasers to use the materials and ask that they not give my materials away to others.

As a condition of purchase and of receiving the *Adoption Library*, the purchaser agrees not to share these materials beyond the purchaser's own personal use and use in their own law practice. Infringement of copyright may create liability and other consequences.

While download restrictions and tracking are in place, ultimately, I rely on your integrity to protect my work. Thank you for this professional courtesy.

– Dawn
